Good Morning Tami,

Thanks for the reply. Hope your trip went well. The fishing season wasn't the best I ever had but it wasn't the worst either.

Glad to hear we will be included in the tribal consultation. We will be standing by for conference or any other direction we could take.

You can always reach us via internet and or you can contact me at Ex. 6 - Personal Privacy and the Village Office is 907-246-4210. Thanks Tami!

Everett Thompson of Naknek

Good Morning Everett,

I hope your fishing season went well. Thank you for confirming that the Naknek Native Village Council would like tribal consultation. The

tribal council hasn't missed anything. EPA is currently developing a tribal consultation plan and we intend to hold a conference call with the tribes who have requested consultation to discuss the timeline and to get input on the plan.

I will be sure to let you know when that is scheduled. Hopefully it will happen in the next few weeks.

Take care!

Sincerely - Tami

Subject: Re: Fw: Bristol Bay Watershed Assessment - Tribal Consultation

Hello Tami and Westley!

In a Naknek Native Village Council meeting in June we decided we would like to be a part of the watershed assessment. Due to the fishing season we were unable to get this all worked out for consultation. We are hoping it isn't too late to participate.

I realize Tami is out of the office until the 11th of this month. Please get back to me when you return. Thank you.

Everett Thompson

Naknek Native Village council member

Good Afternoon Mr. Thompson,
It was nice to meet you at the Bristol Bay Watershed Assessment update meeting in Newhalen last week. This is the information regarding the EPA offer for tribal consultation on the assessment.

It is not too late for Naknek to request consultation.

If you have any questions please let me know.

Thanks - Tami
